†Start Times

Your team, with the required minimum number of members, must be at Dover Moose Lodge at your specified check-in time at **9:30 AM depending on your team's first match** or your team may face disqualification and not be allowed to play. Leave early to get there on time. Brief your team on the enclosed flyers and bring the completed, fully filled out and signed Team Certification Statement with you for check in. There will be some teams that will obtain a first round BYE and will be able to check in on Saturday morning or possibly at 12:00 PM on Saturday. Brackets will be drawn up at a location to be determined and the tournament board will be posted online.

Parking

The Dove Moose Lodge entrance (green circle) is located on the right side of the building as you look from the street. Parking is available on the street and in certain parking lots. Locations that are available for parking have been outlined in red. Yellow lot is for Moose Members ONLY. Street parking is subject to signage. The last resort is the ShopRite parking lot which has plenty. We advise that you carpool.

Eligible Players

Only players with at least 10 lifetime match scores played by the end of the Spring Session will be allowed to play in the APA World Qualifier tournament. In addition, players must have played at least 4 matches on the team in the Spring Session.

Greens Fees

There are no league fees associated with playing in the World Pool Qualifier. However, there will be Greens Fees in the amount of \$60 per team. This will cover all the team's tournament matches.

World Pool Championships

The World Pool Championships (WPC's) will be held in Las Vegas from August 5th to 10th. If your team wins the trip to Las Vegas, you will be allowed to schedule your travel through a travel agent assigned by the League Office. There will be no reimbursement for personally booked travel until your team shows up in Las Vegas at the tournament. Teams that do not show up in Las Vegas will not receive the remaining funds and will be required to return the part that was already given to them.

Food and Beverage

The Dover Moose Lodge has a kitchen and bar that will be open all day. Please show your patronage by utilizing their services. Outside food and beverages are not permitted.
